COORDINATING BOARD

May 28, 2008

Dear Friends,

Thank you for your help in planning and organizing the College Bound Scholarship sign-up event at Rogers High School on May 21 and/or volunteering to work on the day of the event. Because attendance far exceeded our expectations, your flexibility, resourcefulness, and willingness to pitch-in where needed saved the day and made the event a great success.

We have the privilege of making education accessible to many of our students who otherwise would not be able to pursue advanced degrees and certificates. The response to ***Sign-Up Spokane*** is an indication of the overwhelming need in our state for scholarship programs such as College Bound. More than 1,200 people attended the Spokane event and nearly 300 students signed-up.

Please email suggestions that would assist us in planning similar events in the future to Beth Ahlstrom at betha@hecb.wa.gov

Again, thank you for helping the Higher Education Coordinating Board spread the word about the College Bound Scholarship program.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann Daley". The signature is fluid and cursive, with the first name "Ann" and last name "Daley" clearly distinguishable.
